- Upload your responses to the following questions on or before **[fill in the date]**.
- Rename the file with your English name e.g., *Session 8\_Exit Card\_Sam*

Reflect on what you learnt from the session today.

1. Did you learn more about the teaching and learning of biology? If so, what did you learn?

2. Write down anything else (e.g., things you want clarification, your feeling, what you would like to learn more and etc) you would like to share with me and your classmates.
